We are pleased to invite you to participate in “Encuentro Regional de Telecomunicaciones Rosario 2012”, which will be held on June 26th, 27th and 28th 2012 in the “City Center” Premises, located on the intersection of Circunvalación 25 de Mayo Avenue and Orono boulevard in Rosario city, of Santa Fe province in Argentina.

The program includes Comercial Exhibition, Academical Conferences, Seminars, Technical Workshops and Training.

Nowadays, in our country there are thousands of small and medium-size enterprises (SMEs) which are not only trying to gain access into the telecommunications business but also trying to reconvert their networks with a view to provide with triple play and/or quadruple play (multiservice applications). This is the key time to take part in “Encuentros Regionales”, a unique event with the attendance of those being the decision-makers in the companies.

Who can show their products and services?:

- ◉ Manufactures, distributors and suppliers of telecommunication equipment, cables networks, TV channels, radio broadcasts, internet and Triple Play.
- ◉ Equipment Suppliers for Digital Televisión.
- ◉ Suppliers of TV programming.
- ◉ Radio and TV automation.
- ◉ Producers of Contents.
- ◉ Suppliers of equipment for videos production.
- ◉ Interprise Corporations for TV and Radio contents.

Besides, the ones who can also take part in this event are:

- ◉ TV workers and radio workers from Argentina and bounding countries.
- ◉ Managers, executives, technicians and professionals related to the telecommunication industry.
- ◉ Systems Annalists.
- ◉ Producers of programs for broadcast television and/or cable television system.
- ◉ Special guests invited by the exhibitors.
- ◉ Educators.
- ◉ Government Officials.

Sincerely yours,

Lic. Jorge Jacobi
